6. Brede Exposition Services shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Brede Exposition Services shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. 13. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.

The exhibitor agrees, in the event of a dispute with Brede Exposition Services relative to any loss or damage to any of their materials or equipment, that they will not withhold payment of any amount due to Brede Exposition Services for Drayage or any other services provided by Brede Exposition Services as an offset against the amount of the alleged loss or damage. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Brede Exposition Services is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Brede Exposition Services hereunder are based on the value of the material handling services and the scope of Brede Exposition Services liability as set forth above.

Please make your show site representative aware of the following information.

Material Handling Documentation

Inbound Bill of Lading

All inbound shipments must have a Bill of Lading or delivery slip showing the number of pieces, type of merchandise and weight. Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede for such shipments. Billed weight is based on incoming weight, whether outbound services are used completely or in part. The weight is rounded up to the next one hundred pounds (100 lbs) and is taken from the inbound Bill of Lading and/or the certified weight ticket. Separate shipments will not be combined. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Brede. This weight will prevail.

Empty Containers, Labels

Exhibitors with crates or boxes that need to be returned to pack up booth equipment at the end of the show must affix empty labels on the containers as soon as they are empty. Empty labels will be available at the Brede Service Desk. Affixing the labels is the sole responsibility of the exhibitor. Brede assumes no responsibility for removal of containers with old empty labels, improper information on labels or valuables stored in containers with empty labels. Empty containers will be removed from the floor and stored until the close of the show. You will not have access to empty containers during the show. In most cases, empty containers may not be stored in your booth during the show as it is a fire hazard.

Outbound Bill of Lading

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the Brede Service Desk: **do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the show carrier must advise carrier to be checked in at the Brede Service Desk by the driver check-in time specified on the *Show Details* page. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in by the designated time, Brede reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

Information
Form

By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these money-saving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.

Money-Saving Tips

In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays. Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces – example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

For example:

- o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$86.50 per CWT = \$173.00
- o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$86.50 per CWT = \$173.00
- o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$86.50 per CWT = \$173.00

TOTAL cost of three shipments arriving *separately*: \$519.00

OR

- o 3 pieces totaling 152 lbs @ 200 lb minimum x \$86.50 per CWT = \$173.00

TOTAL cost of one *consolidated* shipment: \$173.00 *Savings of \$346.00*

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

Information
Form

We have provided these definitions to acquaint you with specific guidelines for labor. All decorating, display, and material handling labor related to conventions, trade shows, promotional displays and consumer shows is performed by the Official Service Contractor. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.

Material Handling

All material handling, other than exhibitor owned vehicles as described below, will be handled by the Official Service Contractor, including unloading or loading of any and all contracted carriers. Please refer to the material handling section of your exhibitor service kit for rates and liability information. This is a chargeable service.

Exhibitors and show organizers may handle their own material if it can be carried in within the allowed 15 minute dock pass. Exhibitors may not borrow or rent their own hand trucks, dollies, flat trucks, pallet jacks or other material handling equipment. Any item that cannot be carried by one person must be handled by the Official Service Contractor. To ensure orderly and safe move-in and move-out, all docks and vehicle traffic are under exclusive control of the Official Service Contractor. As conditions and time permit, space may be made available to exhibitor owned vehicles to load and unload. One person must remain with the vehicle at all times. Due to time constraints, vehicles must be loaded or unloaded within the 15 minutes. A time dock pass will be issued. Unattended vehicles will be towed at the owner's expense. The above will be strictly enforced.

Booth Labor

Currently we have an agreement with the International Alliance of Theatrical and Stage Employees (IATSE) Local Union to provide labor for display installation and dismantling. Full-time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local union. Any installation & dismantle labor services that may be required beyond what your regular full-time employees can provide must be rendered by the Union. Installation & dismantle labor can be ordered in advance by returning the *Labor Order* form, or at show site at the service desk. Proof of full-time employment status may be requested by the Union Steward of any personnel working in your booth.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.
